

Chenbo Zeng, Ph.D.

Research Assistant Professor of Radiology
University of Pennsylvania

Chenbo Zeng, Ph.D. is currently a research assistant professor of radiology at the University of Pennsylvania. In collaboration with Dr. Robert Mach, Dr. Zeng is exploring the biological functions of the sigma-2 receptor in breast cancer and in the central nervous system.

In 1996, Dr. Zeng received her Ph.D. in biochemistry from Iowa State University and conducted postdoctoral training at Washington University School of Medicine. Before joining the faculty of the University of Pennsylvania, she was a research instructor at the Mallinckrodt Institute of Radiology.

Dr. Zeng is a member of the American Association for Cancer Research and the Society for Neuroscience.
